## Welcome Hub Project

.....

## Integrate the Hispanic Community

### Hispanic Alliance Inc.

.....

The **Hispanic Alliance, Inc.** is a member organization established for the purpose of addressing Hispanic/Latino community needs in the Greater Cleveland Area. Our mission is to integrate the Hispanic/Latino community by uniting, supporting and strengthening Alliance member in Greater Cleveland and Northern Ohio; and further the social, educational, and economic development of the Hispanic/ Latino community through advocacy, leadership development and the formation of strategic partnerships.

The **Welcome Hub Project** will capitalize upon the Hispanic Alliance, Inc. reputation for offering genuine and sincere support, information and referrals to all who seek this information. The Welcome Hub will be provided informational materials in Spanish and English.

- ❖ Details on available housing
- ❖ Employment opportunities
- ❖ Educational support
- ❖ Schools
- ❖ Medical facilities
- ❖ Financial institutions
- ❖ Churches
- ❖ Elected officials
- ❖ Public services and more

El **Welcome Hub** promueve el desarrollo integral de la comunidad latina por medio de su vinculación de espacios digitales para la gestión del desarrollo social, personal y profesional.

.....

With the goal of providing information to our Latino community, Welcome Hub provides free community access to computers and technology to residents of all ages. The Welcome Hub consists of:

- ❖ Workstations
- ❖ Fast Internet access
- ❖ Laser printer
- ❖ Multimedia tools
